## Ebook Details:

*Review: The subtitle - silence, awareness, and contemplation - summarizes the focus of this magnificent book perfectly. I've been practicing centering prayer daily for the past six months (after a long hiatus), and Laird's insights have helped me immensely to see beneath (beyond? through?) the basic practice of when thoughts arise, simply return to your...*

*Description: The practice of contemplation is one of the great spiritual arts, writes Martin Laird in A Sunlit Absence. Not a technique but a skill, it harnesses the winds of grace that lead us out into the liberating sea of silence. In this companion volume to his bestselling Into the Silent Land, Laird focuses on a quality often overlooked by books on Christian...*
